

WEEKLY MAINTENANCE

Quick-Step LIVYN floors are designed for your comfort and care-free enjoyment. Their sealed surface and protective PU coating prevent dirt and stains. Moreover, as they are 100% watertight, they are easily and safely cleaned with a wet cloth.

QUICK-STEP MAINTENANCE KIT

The Quick-Step maintenance kit is practical and easy to use. It includes a mop holder with adjustable handle, a micro-fibre cloth, and a bottle of Quick-Step cleaning product. You can use the cloth dry or slightly moist.

Also separately available:

- Quick-Step cleaning mop
- Quick-Step cleaning product (750ml)

QSKK

PERIODIC MAINTENANCE

QUICK-STEP REFRESH (750ML) - QSVREFRESH750

Quick-Step LIVYN Refresh is a maintenance product for treating Quick-Step LIVYN floors at regular intervals:

- ✓ gives your Quick-Step LIVYN floor a protective coat
- ✓ removes small scratches
- ✓ restores your floor's matt look
- ✓ for use at regular intervals: every 3-6 months or as necessary
- ✓ contents: 750ml

INSTRUCTIONS

- First clean your floor using Quick-Step Clean.
- Make sure that your Quick-Step LIVYN floor is dry, dust-free, and stain-free before you apply Quick-Step LIVYN Refresh.
- Shake the Quick-Step LIVYN Refresh vigorously. Apply undiluted in a thin and even film using a clean mop.
- Do not pour the product directly onto the floor.
- Apply the first coat at a right angle to the direction of your Quick-Step LIVYN floor.
- Wait at least 1 hour. Then apply a second coat in the direction of your Quick-Step LIVYN floor. You can walk on the floor 12 hours later.
- Consumption: 750ml = 15m² (2 coats).

Make sure the room is properly ventilated but keep direct sunlight and draught out during application. To prevent uneven drying, it may be advisable to switch off your floor heating or cooling before you use Quick-Step Refresh. Use a separate mop just for the Quick-Step LIVYN Refresh.
